

Personal Integrity Worksheet

“Personal Integrity” is not a singular Value, but rather describes what beliefs an individual honors, in conjunction with the actions and behaviors they consistently display – the ‘package’ of principles an individual espouses as “Valued.”

Core Values (My approach to life – the fiber of who I am and what I’m about)	Personal Values (My day-to-day behaviors and actions that demonstrate my principles & ideals)
“I am...”	“I demonstrate...”

Corporate Integrity Worksheet

“Corporate Integrity” is not a singular Value, but rather is representative of what an organization is known for and what it’s about. Corporate Integrity “by Design” is achieved when an organization’s roster comprises individuals who’s Personal Integrity is in-line with the organization’s philosophical approach to conduct... the principles an organization espouses as “Valued.”

Corporate Values (Our approach to business – what we’re known for and what we’re about)	Behaviors & Actions (What our Corporate Values “looks like” – living the “Mission” by “walking the talk”)
“We value and foster...”	“We demonstrate our Values by...”
